Chairpersons Message

Dr. Madhumita Parida

Chairperson-Cum-Managing Trustee

“Dear parents and prospective students,” Welcome to the ARYAN Institute of Engineering & Technology Choosing a college is one of the most important decisions that you will ever make. It can be the key that opens the door to the opportunities of lifetime. We want you to base your choice of a college on

relevant and reliable information. How well it turns out for you will depend primarily on the effort you invest in your own intellectual and professional development. Invest wisely and be assured that ARYAN faculty and staff pledge their best efforts in helping you attain your educational goals. The ARYAN College has been launched with a vision to transform its students into competent, inspired and responsible professionals. The college aims to deliver not only world-class education in state-of-the-art facilities but also an environment for holistic learning that will help groom students into confident and smart individuals. With the current surge in both economy and population, India needs a cadre of professionals who can think logically to develop cost-effective solutions to various contemporary corporate and social issues.

About Placement Cell

The Training & Placement Cell

Engineering itself means implementation of knowledge typically in the form of mathematics and science. The course enriches students with skills required by the industries. Training and Placement Cell at ARYAN INSTITUTE OF ENGINEERING & TECHNOLOGY, Bhubaneswar builds a bridge between the industry and academia providing extraordinary skilled human resources to the leading companies.

Objectives :

- Providing employment opportunities.
- Training students through Internships.
- Guiding for the Campus placement interviews.
- Helping students to develop aptitude and technical skills.
- Helping with all the employability skills including soft skills.
- Taking various steps to enhance employability among students.

Facility For Recruiters :

- Large and ventilated classrooms and halls for pre-placement activities and written tests.
- Providing suitable environment for interviewing employment opportunities.
- Air-conditioned Rooms for GD and PI.
- High-Speed Internet Connectivity.
- Prompt assistance by Student Volunteers during the visit.

ALUMNI TESTIMONIALS

SAILESH KUMAR
INDIAN RAILWAY

These 4 years of Engineering at AIET, it has given me a stage to learn and develop where we can investigate without a second thought. The position cell invests in

a ton of energy in bringing to us, the best organizations in the business. They direct preparing programs with respect to what sort of inquiries are posed in the meeting so we can accomplish in landing our amazing position."

RISHA SHARMA
ACCENTURE

My four years at AIET were great and a memory to cherish for lifetime. It was full of learning and grooming oneself. It gave me an opportunity to meet different kind

of people and learned many things. I am thankful to all the faculties, mentors and entire SET as well as placement cell. Overall it was a great experience and lifetime memory at ARYAN.

SATYABRATA PRADHAN
Geological survey of India, Hyderabad

"My experience at AIET is great and memorable. The mentors at ARYAN helped us enhance my academic and interpersonal skills. I am thankful to Training &

Placement cell for providing a platform to enhance my skills and an opportunity to showcase them. In the last I am saying that The World is here at AIET."

KIRAN SAHU
RIJ ENGINEERING

My college days are the best part of my life. My department encouraged me to explore my talent & potential by providing an exceptional integrated learning environment. I am really grateful to my teachers who have

changed my whole aspect towards learning. Every student gets good placement well reputed and renowned companies, curriculum was excellent. Also I got placement in RIJ Engg. manufacturing company in AutoCAD department.

ER. AVAY PANDA
Apmosys Technology Navi Mumbai

AIET has been a great contributor to the development of my personality. I have established my leadership, time management and team skills and have also

been able to advance these skills to the whole new augment level. With an attitude of being ever ready to help, and not only delivering classroom teachings, but they are also the pillars of the learning gained from this esteemed university and this is a treasure for life.

ANKEET KUMAR PANDA
SOFTWARE ENGINEER, APMOSYS

AIET has always believed in helping and guiding its students and it was no different during the placement season. Regular classes held at our college to help

us with our aptitude and technical skills were of great help. Our placement administration officers also guided and encouraged us at each step thereby helping me secure my placement at such a reputed company.

Bhakti Joshi
Australian company Spinfluence

I have spent an amazing time while studying in Aryan. Teachers were very helpful. The atmosphere was so comfortable and welcoming. I got great help with

the training and placement department at the time of placements. I would recommend everyone who is thinking to do B.Tech should consider Aryan college.

ACHYUTANANDA SWAIN
Jr. Engineer, IOCL

I am Achyutananda Swain as a student of Aryan Institute of Engineering & Technology. My pass out year 2018, presently I am working as Mechanical Engineer

in IOCL Paradeep Refinery I am proud to be an Aryan Student. I hope Aryan growth to be an Excellent organisation of the educational hub.
