---

## Chairpersons Message

**Dr. Madhumita Parida**  
Chairperson-Cum-Managing Trustee

"Dear parents and prospective students," Welcome to the ARYAN Institute of Engineering & Technology. Choosing a college is one of the most important decisions that you will ever make. It can be the key that opens the door to a lifetime of opportunities. We want you to base your choice of a college on relevant and

reliable information. How well it turns out for you will depend primarily on the effort you invest in your own intellectual and professional development. Invest wisely and rest assured that ARYAN faculty and staff pledge their best efforts to help you attain your educational goals. The ARYAN College has been launched with a vision to transform its students into competent, inspired and responsible professionals. The college aims to deliver not only world-class education in state-of-the-art facilities but also an environment for holistic learning that will help groom students into confident and smart individuals. With the current surge in both economy and population, India needs a cadre of professionals who can think logically and develop cost-effective solutions to various contemporary corporate and social issues.
