NOTICE

AIET IDEA HACKATHON – SDG INNOVATION SERIES

(Monthly Student Innovation & Problem-Solving Initiative)

All students and faculty members are hereby informed that **Aryan Institute of Engineering & Technology (AIET), Bhubaneswar** is initiating the “**AIET IDEA Hackathon – SDG Innovation Series**” as a regular monthly platform to promote **innovation, creativity, design thinking, entrepreneurship and sustainable problem-solving** among students.

The Hackathon will focus on identifying real-life problems and developing innovative, technically feasible and sustainable solutions aligned with the **United Nations Sustainable Development Goals (SDGs)**.

Schedule

The Hackathon shall ordinarily be conducted on the **last Friday and/or Saturday of every month**, subject to the academic calendar and institutional requirements.

Major Objectives

- To promote innovation and creativity among students.
- To develop solutions to real-world problems related to the **17 SDGs**.
- To encourage interdisciplinary student teams.
- To develop skills in design thinking, prototyping, research and entrepreneurship.
- To encourage innovative ideas towards **patents, research publications, projects and start-ups**.
- To provide students with a platform for participation in external/national-level hackathons and innovation competitions.

Ref. No.

Date.

Participation

1. Students from **all departments and programmes** of AIET are encouraged to participate.
2. Teams may preferably consist of **2-5 students**.
3. Interdisciplinary teams are strongly encouraged.
4. Faculty members will provide mentoring and technical guidance.
5. The theme/problem statement for each month's Hackathon will be announced separately.

All HODs, faculty members and students are requested to actively participate and extend their cooperation to make the **AIET IDEA Hackathon – SDG Innovation Series** a sustained institutional initiative for innovation and sustainable development.

Dr. Prakash Chandra Sahu, Dean R&D will be designated as the **SPOC (Single Point of Contact)** and **Coordinator** for the **AIET IDEA Hackathon – SDG Innovation Series**.
